

QUESTIONS TO SIT WITH

Part 1: Do I Believe in Capitalism?

September 24, 2026

1. Should people exist to serve the economy? Or should a healthy economy serve people?

2. If we can afford more things but have less time to use or enjoy them, what exactly should we call that?

3. What did we trade away to produce the prosperity we measured?

There are no right answers here. Just honest ones.
